

## Valentine Crispy Heart Cookies

Grease a 9x13 inch pan with cooking spray  
Make on top of stove

### INGREDIENTS

3 tablespoons butter  
4 cups mini marshmallows

6 cups rice crisp cereal

2 cups white chocolate chips

¼ cup red candy melts

### DIRECTIONS

In a 6 quart pot, melt butter. Add the marshmallows, continue **cooking and stirring over low heat** until marshmallows are melted. Remove from heat.

Stir into above until cereal is coated. Grease hands lightly with butter before patting evenly into a greased 9x13 inch pan. Set aside.

**Melt in microwave at 50% power for 1 ½-2 minutes, stirring after 1 minute.** When melted, spread evenly over above cooled bars. When set and dry to the touch, use a heart shaped cookie cutter to cut out individual heart cookies.

To decorate, put melts into a ziplock baggie and **microwave for 1-1 ½ minutes at 50% power.** Remove baggie and squish it until all pieces are melted and blended. Snip one corner at bottom of baggie to form a decorating tube. Drizzle thin lines of the melt over the top of each cookie. Let harden before serving.
